SUBJECT: GOVERNOR GEORGE W. ROMNEY
REPUBLICAN-MICHIGAN
APPOINTED SECRETARY OF HOUSING AND
URBAN DEVELOPMENT IN NIXON ADMINISTRATION

We have learned that captioned has been appointed Secretary of Housing and Urban Development by President-elect Nixon. Our files reveal that Romney, born 7-8-07, Chihuahua, Mexico, attended the University of Utah and The George Washington University (1929-30). A former top-level executive with the American Motors Corporation, he was elected Governor of Michigan in 1962. He was a missionary for the Church of Jesus Christ of Latter-Day Saints in Scotland and England (1927-28) and from 1929-30 he was a tariff specialist for U. S. Senator David I. Walsh.

We conducted an investigation of Romney in connection with a Department of Labor position in 1949, which was favorable. He has expressed high regard for the Director and the Bureau on a number of occasions and the Director has congratulated him on his election and re-election as Governor of Michigan. By letter dated 4-16-65, the Director thanked Governor Romney for a framed proclamation signed by the Governor and presented to the Director by the Booth Newspaper Editors during the April, 1965, convention of the American Society of Newspaper Editors.

[redacted] as a clerical employee in the Crime Records Division and resigned [redacted] to serve in a missionary capacity with the Mormon Church. His service was satisfactory. The Director wrote Governor Romney in April, 1966, to advise of [redacted] appointment.

The Director saw Mr. and Mrs. Romney on 9-13-67 at which time a colored photograph was made of the occasion and subsequently sent to the Romneys. No arrest record located concerning him.

President [redacted] advised that he has visited the appointee in his home and has had Mr. ROMNEY and his wife visit him on occasions in Salt Lake City. He advised he has known other members of the ROMNEY family and knew the appointee's [redacted] when [redacted] was serving a mission for the LDS Church in England. President [] advised that the appointee, in his opinion, is a driver, a man of decision, a man of complete devotion, one who has been successful in his business endeavors, and a man whose ability would be a real asset to the President Elect. President [] advised that in his opinion, Mr. ROMNEY would give his life for a cause in which he believed, that he is a loyal American Citizen, and is unique in his humility, plus his dynamic way of getting things done. He stated he would recommend the appointee highly for a position of trust.

b6
b7C

President HUGH B. BROWN, Counselor in the First Presidency in the LDS Church, advised he has known the appointee intimately, as well as members of appointee's family. He stated he first met GEORGE ROMNEY approximately forty years ago and that he has been a stalwart member of the LDS Church, as well as the business community throughout these forty years. He advised Mr. ROMNEY is a man of great capacity and is most capable of handling difficult loads and working under pressure. He advised he is industrious, imaginative, and has a fine family and a wife who supports him in the weighty activities in which he has been involved. President BROWN advised that in all the years he has known GEORGE ROMNEY and the ROMNEY family, and all the associations they have enjoyed, he has never heard a word of discredit regarding either Mr. ROMNEY or his family. He stated he would recommend him without hesitation for a position of great responsibility and trust.

Elder MARION G. ROMNEY, a member of the Council of the Twelve Apostles, LDS Church, advised he has known GEORGE ROMNEY during his entire life. He advised that his father and GEORGE ROMNEY's father were brothers and that both families left Mexico to come to the United States in 1912. He stated they settled in El Paso, Texas. Mr. ROMNEY advised that both his father and the appointee's father, GASKELL ROMNEY, were both carpenters by profession, and worked as such in El Paso. He advised the families moved to Los Angeles, California, during a portion of the year 1913, immediately following which time both families moved to Oakley, Idaho. He stated the fathers participated

in a joint farming venture. Mr. ROMNEY advised that both families came to Salt Lake City, Utah, in 1916 and went into the building business, but in 1917, MARION G. ROMNEY and family moved to Rexburg, Idaho. They were followed by GEORGE ROMNEY and family in 1918. Mr. ROMNEY advised that in about 1920 GASKELL ROMNEY and his family, including the appointee, returned to Salt Lake City and entered the building business. He advised that GEORGE lived with his family in Salt Lake City. He stated that the appointee's mother died in the late 1920s and subsequently GASKELL ROMNEY married AMY PRATT ROMNEY, a sister of GASKELL ROMNEY's deceased wife, who has lived in Salt Lake City to the present time at 1523 East 9th South. He advised that GASKELL ROMNEY died in Salt Lake City about twenty years ago. He had been a Salt Lake County Commissioner.

Mr. MARION ROMNEY advised that GEORGE ROMNEY moved to Washington in the late 1920s and has lived away from Salt Lake City since that time, however, he has had very close contact with his cousin GEORGE ROMNEY and with other members of the ROMNEY family who remain in Salt Lake City.

He advised these members are:

GASKELL MAURICE ROMNEY, who works in the Salt Lake City Temple and resides at 1963 Diestel Road, Salt Lake City;

MILES PRATT ROMNEY, who manages a mining association in Salt Lake City, and resides at 1930 Sheridan Road, Salt Lake City;

CHARLES WILKIN ROMNEY, an attorney, who is affiliated with the Attorney General's Office at the Utah State Capitol, and who resides at 1451 East 3300 South, Salt Lake City.

MARION ROMNEY advised that GEORGE ROMNEY, in his opinion, is a dynamic and driving individual, dedicated

SU 161-119

and a loyal American who would be loyal to not only his Country, but to those who have called him into the Government service. He stated he would highly recommend him for a position of trust.

Elder HAROLD B. LEE of the Council of the Twelve Apostles of the LDS Church advised he has known GEORGE ROMNEY and his family since prior to the 1920's. He advised he has had many contacts with him, as well as has frequently counseled with ROMNEY on matters of church business and personal business. Elder LEE recalled that GEORGE ROMNEY went east from Salt Lake City in the mid or late 1920's and he has had contacts with him since this period of time. He stated that he considers ROMNEY a very close personal friend.

He further advised that he had visited GEORGE ROMNEY in mid 1940's at Detroit, Michigan, when GEORGE ROMNEY had been called to preside over the Detroit Stake of the LDS Church. He stated that in this capacity ROMNEY was responsible for the temporal welfare of all of the members of the church in the Detroit area and was the presiding church official in this area, handling the administrative matters relating to the church organization, as well as many miscellaneous types of responsibilities. He advised that ROMNEY was, at this time, affiliated with American Motors, and to his knowledge, had had a successful career with American Motors.

He advised that ROMNEY's father, GASKELL ROMNEY, remained in Salt Lake City until his death and was a Temple worker in the Salt Lake City Temple.

Elder LEE advised that GEORGE ROMNEY is a dynamic individual with courage and drive, but is a very humble individual and a very spiritual individual. He advised he has had numerous dealings with the Appointee so he feels that he can comment as to the Appointee's character and makeup. He stated that ROMNEY's honesty and integrity is, in his opinion, without question, that he is a loyal American citizen, and one who would be a strong asset in a position of great responsibility with the Government.

He advised that the Appointee's wife would be a great asset to the Appointee in his official capacity as she has supported him faithfully in all of his travels and all of his activities.

He stated the Appointee is successful and certainly financially able to handle a position with the Government and he would recommend him without any reservation.

Elder RICHARD L. EVANS, member of the Quorum of the Twelve Apostles in the LDS Church, advised he has known the Appointee for at least 45 years. He advised they attended the LDS High School together in Salt Lake City, and he has had frequent contacts with the Appointee and members of his family subsequent to that time. Mr. EVANS stated that the Appointee left Salt Lake City in the late 1920's to work in Washington, D. C. He advised he subsequently married in Washington, D. C. and has lived in this area and in the Detroit area where he has been a successful business executive and a most valued church leader. ✓

Mr. EVANS described ROMNEY as being loyal to his country, and to leadership, and a man of vision and courage, who had the capacity of handling great administrative responsibilities and getting things done. He stated he would not hesitate to recommend ROMNEY for a position of great trust and responsibility.

SOCIAL ACQUAINTANCE

Mr. GERALD G. SMITH, Manager of ZCMI, located at South Temple and Main Street, Salt Lake City, advised he has known GEORGE ROMNEY during most of his life. He advised their careers have somewhat paralleled in that they were young men together in Salt Lake City, subsequently going to Washington, D. C. and having experience in Federal Government service. Mr. SMITH advised that he had played basketball with the Appointee at the LDS High School in Salt Lake City where GEORGE ROMNEY was Student Body President in 1920. He stated that subsequently the Appointee went on a mission for the LDS Church to Scotland. ✓

According to SMITH, ROMNEY returned to Salt Lake City for about one year following his mission, and in the mid 1920's moved to Washington, D. C. where he obtained employment in the office of a Senator from Massachusetts. He advised that GEORGE ROMNEY was employed as a legislative assistant, and during this period had been most successful.

He advised that subsequent to his working for the Senator from Massachusetts, GEORGE ROMNEY accepted employment

SU 161-119

in the Public Relations Department of the Aluminum Corporation of America and had been successful here in promoting this company's products. He advised that due to the contacts that he had made and the effective job he had done, an opportunity came whereby ROMNEY was appointed to spearhead a Detroit, Michigan, automobile manufacturers association, the name not recalled. He advised that during this period ROMNEY met many automobile people and due to a combination of circumstances, he later became President of American Motors Company. He advised that in this capacity ROMNEY had been a great success.

Mr. SMITH advised that he has known ROMNEY's wife during most of her life and is aware of the fact that these are most compatible people and complement each other's activities. He advised that the Appointee's wife is a charming person, emotionally sound and a loyal American citizen, as is the Appointee. He advised in his opinion, GEORGE ROMNEY is a man of great ability, drive and imagination and an outstanding administrator. He advised he carries responsibilities well.

Mr. SMITH advised that he has had regular contacts with the Appointee's brothers in Salt Lake City over a period of years and knows them to be men of stature in the community, and men of quality. He stated that he also knows the step mother of GEORGE ROMNEY, and while she is very old, she too, is a very fine woman with an excellent background.

Mr. SMITH advised that he knew of GEORGE ROMNEY during the period he was Stake President in the Detroit Stake, and is aware of the fact that he had done an outstanding job as a church leader in that area. He advised he was released from that responsibility after being elected Governor of the State of Michigan. Mr. SMITH advised he would recommend ROMNEY without reservation for a position of great trust and responsibility.

SU 161-119

CREDIT AND ARREST

On December 24, 1968, [redacted] Salt Lake City Police Department, advised that a review of his records make no reference to the Appointee or members of his family, with the exception of CHARLES W. ROMNEY, born 1913. He advised that apparently Mr. ROMNEY had applied for a taxi license in 1937. He advised he has no other record in file.

On December 24, 1968, [redacted] Salt Lake County Sheriff's Office, Salt Lake City, reviewed the records of that office and determined that neither the Appointee nor any member of the Appointee's family is known in the records of that office.

On December 24, 1968, [redacted] Salt Lake City Credit Bureau, reviewed her records and advised that the Appointee, his father and mother, and other members of the Appointee's immediate family are not known in records of that office. She advised, however, that she has records relating to three of the Appointee's brothers, which are as follows:

CHARLES W. ROMNEY, wife BESSIE, has been known to the Salt Lake City Credit Bureau since 1935. He resides at [redacted] Salt Lake City. He is the owner and manager of the Alta Cleaning Company, was previously an assessor for the Utah State Tax Commission, was a self-employed attorney, and currently is Assistant Attorney General for the State of Utah where he has been affiliated since 1964. According to the Credit Bureau record, CHARLES ROMNEY was admitted to the Utah Bar on January 10, 1938. 1927. Credit Bureau records indicate MILES ROMNEY resides at [redacted] Salt Lake City. He has been employed as the manager of the Utah Mining Association since 1952. The Credit Bureau files indicate MILES ROMNEY was previously General Manager of the Duvall Company of Salt Lake City, and prior to that was a student at Columbia University in New York. He enjoys an excellent credit rating.

[redacted] advised that credit records indicate that G. MAURICE ROMNEY, wife GENEVIEVE, has been known to the Salt Lake City Credit Bureau since 1924. He resides at [redacted] Salt Lake City. Credit Bureau files indicate MAURICE ROMNEY is a self-employed contractor, that previously he and his father, GASKELL E. ROMNEY, were affiliated in the business known as Romney and Sons, but the firm suffered heavy losses and financial reverses in the 1930-1932 era and several suits and judgments were brought against them. The records indicate these financial losses were subsequently resolved and the business was dissolved. The records indicate MAURICE ROMNEY is now President of the G. Maurice Romney Company, 424 South 7th East, Salt Lake City. According to the Credit Bureau files, there have never been any suits or judgments in connection with this company, and ROMNEY enjoys well established satisfactory credit.

On December 26, 1968, Mr. WILLIAM F. He also stated that he had never had any reason to question the appointee's or his family's loyalty to the Government of the United States.

In conclusion, Mr. MC GOUGHEY advised that the only other individual he could suggest in the New York City area who had had extensive associations with the appointee was Mr. EUSTACE SELIGMAN, a former Director of American Motors and presently serving as a partner in the law firm of Sullivan and Cromwell, New York City.

ASSOCIATES

The following investigation was conducted by SA []
[] on December 26, 1968:

[] Michigan Bank, National Association, 500 Griswold, Detroit, Michigan, advised as follows:

[] Mr. and Mrs. HOWARD J. STODDARD have been acquainted with GEORGE W. ROMNEY for many years. [] attended high school in Salt Lake City, Utah, at the same time as ROMNEY about 1920. When ROMNEY moved to Michigan in 1938 to take a post with the Automotive Manufacturers Association, the HOWARD J. STODDARD family was one of the few families in Michigan that ROMNEY knew. The two families have been closely associated since that time, and [] has had many personal and business contacts with ROMNEY.

ROMNEY has been dedicated to civic matters since he came to Michigan, was active in such matters as the Detroit Public School Program and the 250th Birthday Anniversary of the City of Detroit, and has done well in his civic activities. ROMNEY has also been a leader in his church since he was a missionary in England, at one time was in charge of the Michigan operations of his church, and still is active in it. ROMNEY's business ability came to the fore after he became associated with American Motors Corporation and he subsequently demonstrated his ability to work in the public sector, as well as the private sector, after he became Governor of Michigan. ✓

On the basis of the associations of the STODDARD family with ROMNEY, [] considers ROMNEY to be a man of exceptional honesty, integrity, unimpeachable character, and unquestioned loyalty. ROMNEY has a strong record of supporting minority groups and has taken firm positions on such matters as Open Housing in Michigan. ROMNEY does not equivocate or "straddle the fence" but stands for his convictions even when it might not appear to be politically expedient. [] believes ROMNEY could not be corrupted but would rather remain "deadly honest" even if it meant losing what he has. [] expressed the opinion that such mistakes as ROMNEY may have made were honest mistakes and not ones of disloyalty or deceit. [] unreservedly recommends ROMNEY for any office of trust and responsibility.

He said he met ROMNEY through GEORGE MASON, who was operating Nash Motors about 16 years ago and who also pioneered the Rambler car. MASON died shortly thereafter and ROMNEY took over the company.

[] stated that he is not a close personal social friend of ROMNEY, but has seen him on many occasions over the years and related that ROMNEY has not changed in his personal attitude due to his prominence and that ROMNEY always knows him and speaks to him when he sees him.

He stated that he believes ROMNEY's close friends or associates are probably people close to his family and Church life and he is not familiar with these people since he does not contact ROMNEY on a social basis.

[] also mentioned the fact that ROMNEY "made a stand" on open housing in Michigan and has worked extremely hard to have a bill passed on this matter. He said ROMNEY does what he thinks is best and is not interested always in the consensus of opinion regarding such things. He believes that ROMNEY has established a "rapport" with the Negro people in Michigan and also feels that they approve of ROMNEY.

He said ROMNEY has been involved in this type of work in Michigan and "will throw himself wholeheartedly into his new work" and will probably do an excellent job. On December 26, 1968, Mr. DAVID W. KENDALL, attorney and former assistant to the Secretary of the Treasury under the EISENHOWER Administration, was interviewed at his office at 1881 First National Building, Detroit, Michigan. Mr. KENDALL advised he has known the appointee for about 15 years both socially and on a business basis. He stated the appointee is an honest, trustworthy, hardworking man of impeccable character, morals and associates. He stated he is above all a loyal American citizen. He advised that Mr. ROMNEY is vehement in his pursuit of equal civil rights for all Americans. He advised that he could only give the appointee the highest recommendation for that position for which he has been appointed.

ASSOCIATE

On December 26, 1968, Mr. MARK ETHRIDGE, JR., Editor, "The Detroit Free Press", Detroit, Michigan, was interviewed and stated he knows Governor GEORGE ROMNEY on a first name basis. The relationship has been strictly on a business basis.

Mr. ETHRIDGE believes the Governor's character and integrity to be impeccable. He cannot imagine anything the Governor has ever done that would discredit the United States. Mr. ETHRIDGE believes Governor ROMNEY is too honest at times for his own good. The honesty of Governor ROMNEY has caused some embarrassment to himself in the past. One situation was the statement of being "brain washed", a statement which Mr. ROMNEY was sincere in stating.

Governor ROMNEY is in an unfortunate situation because of his affiliation with the Mormon Church. Governor ROMNEY is completely sincere when he states that he judges a man by what he does and not by who he is. The Church believes differently than Governor ROMNEY in that the Mormon Church will not allow Negroes to become Deacons in the Church. This is a form of discrimination that ROMNEY does not subscribe to. He believes in equality for all.

The Governor is obviously a good administrator and the best salesman in the country. He is a man who can make NIXON's capitalism work with the "missionary zeal" that President-Elect NIXON stated he possessed.

Mr. ETHRIDGE believes the Governor is the type of person who can handle the job of Secretary of Housing and Urban Development. He is a person who must work his way through a problem step by step until a conclusion is reached. Mr. ETHRIDGE stated he could not criticize the appointment by President-Elect NIXON and he would give his support to Governor ROMNEY in his new position.

On December 26, 1968, Mr. PETER CLARK, Publisher of "The Detroit News", a daily newspaper in Detroit, Michigan, advised SA RICHARD H. SENTER that he has been acquainted with Mr. ROMNEY since 1962, approximately two years after Mr. CLARK joined "The Detroit News". CLARK stated he "admires greatly" Mr. ROMNEY and he and the "News" have generally supported ROMNEY as a political candidate and as a successful Governor of Michigan.

Mr. CLARK stated that he and the newspaper did not support ROMNEY as a presidential candidate "for reasons relating to ROMNEY's challenge of the administration's policy in Southeast Asia". In all other areas CLARK stated he could recommend Mr. ROMNEY so far as background, character, loyalty, and associates are concerned.

CLARK made reference to the record length newspaper strike suffered by "The Detroit News" in 1967, and stated that the "News" opposed ROMNEY's efforts to enter the dispute. ROMNEY proposed an investigation by a Michigan State Legislative committee. "The Detroit News" successfully opposed this procedure in court. CLARK stated that this was a "very narrow" issue and in no way detracts from his unqualified recommendation of Mr. ROMNEY for his appointment to the announced position.

Regarding civil rights, CLARK stated ROMNEY "worked very hard and in fact was ahead of his party in the development of strong and positive programs to solve the problems of the disadvantaged minorities".

UNITED STATES SIXTH CIRCUIT COURT OF APPEALS JUDGE

WADE H. MC CREE, Judge, United States Court of Appeals, Sixth Circuit, was interviewed on December 24, 1968, at Detroit, Michigan, by SA [REDACTED]

Judge MC CREE advised he first became closely associated with GEORGE ROMNEY in 1956, at which time he, MC CREE, was a member of the Detroit Board of Education and ROMNEY was heading the American Motors Corporation. They both were members of an advisory citizens committee regarding the needs for improvement in the Detroit Public School System. As a result of this association he came to know ROMNEY rather well and worked closely with him regarding the public school situation. He stated this association brought both men in frequent contact and as a result of their association with the Citizens Committee, much needed improvements were brought about in the Detroit Public School System.

He stated that in 1959, ROMNEY headed the Citizens For Michigan group and once again he, MC CREE, was allied with him in this regard. He stated he believed this is probably the time at which ROMNEY first felt that he was going to become deeply involved with politics. MC CREE advised that in view of his, MC CREE's position as a Wayne County jurist, he had to more or less disassociate himself with the citizens group in that it became a partisan political organization.

MC CREE advised ROMNEY was, as a result of his association with the citizens group, very instrumental in bringing about a change in the State Constitution and as a result gained much stature in the eyes of the voting public of Michigan.

Judge MC CREE advised he knew of nothing derogatory in any regard concerning ROMNEY. He stated he considered him a man of high ethics and integrity and an individual who was completely loyal to the United States in all regards. He stated ROMNEY is an energetic individual who has tremendous drive. He stated he personally knows that ROMNEY has not and undoubtedly would not tolerate any corruption by individuals working with or for him.

Judge MC CREE stated he knew of nothing which would preclude ROMNEY holding a responsible and delicate position on behalf of the United States Government.

WAYNE COUNTY CIRCUIT JUDGE

The following investigation was conducted by
SA [redacted] at Detroit, Michigan, on
December 27, 1968:

Wayne County Circuit Judge, and former Michigan Governor, JOHN B. SWAINSON was contacted regarding GEORGE W. ROMNEY. Judge SWAINSON advised that he has known Governor ROMNEY for the past 15 years and has had a rather close association with Mr. ROMNEY for the past eight years during which time they have both been involved in governmental affairs for the State of Michigan. Judge SWAINSON advised that he regards Governor ROMNEY as a person of very strong character and religious beliefs, and he stated that there is no question as to Governor ROMNEY's loyalty to the United States.

Judge SWAINSON further advised that from his observations through the years of Governor ROMNEY and his administrative abilities, Governor ROMNEY has shown the ability to designate authority and is noted for following through on any project at hand. For instance, Judge SWAINSON advised that several years ago Governor ROMNEY was very active in the drafting of a new Constitution for the State of Michigan and that since that time as Governor, Mr. ROMNEY has been charged with the implementation of the new Constitution. Judge SWAINSON advised that this implementation has been carried out very well, although Judge SWAINSON said that he, being of a different political party, may have done things differently but this would in no way reflect upon Mr. ROMNEY's administration of his gubernatorial duties.

Judge SWAINSON advised that Governor ROMNEY has been criticized in some quarters for leaving subordinate positions unfilled for inordinate lengths of time, but the Judge commented that not being in the position of Governor at this time, he could not criticize this himself and did not feel that this should reflect on Governor ROMNEY's administrative abilities.

He stated that he was confident Governor ROMNEY would address himself to the problem of housing and urban development in the capable manner in which he handles all problems, and Judge SWAINSON advised that he would recommend Governor ROMNEY for a position of trust and confidence at the highest levels of the Federal Government.

[redacted] at which time he advised as follows:

He has known Governor GEORGE W. ROMNEY of Michigan
since about 1943.

His meetings and dealings with ROMNEY have been pri-
marily in connection with business matters.

ROMNEY, at the time [redacted] first met him, was an
officer, possibly secretary, of the Automotive Parts Manufacturers
Association. ROMNEY was a member of one of the committees repre-
senting industry while [redacted] was on one of the committees repre-
senting labor. Both groups, industry and labor, were meeting,
at the time, formulating rules, etc., in connection with the trans-
ferring of essential employees between different manufacturing
firms, in furtherance of the war effort, under provisions of the
War Manpower Commission.

Several years later, ROMNEY became associated with the
American Motors Corporation.

[redacted] advised that, based on his contacts with
ROMNEY, ROMNEY has, all through his public life, been inconsistent
in his attitudes and statements.

An example of ROMNEY's inconsistencies, according to
[redacted] is the fact that during his gubernatorial campaigns,
he criticized [redacted] views on different matters and, following
his election, he "turned around" and appointed [redacted] to the
Michigan Conservation Commission.

[redacted] advised that as far as ROMNEY's loyalty to
the United States, his character, honesty, and morals are con-
cerned "no one can question them".

[redacted] related that "ROMNEY believes in himself",
and has a profound confidence in himself. [redacted] stated that
in his opinion ROMNEY believes that he is being honest and
straightforward in all of his dealings.

RELIGIOUS LEADERS

Rabbi [] Temple Beth El, 8801 Woodward Avenue, Detroit, Michigan, was contacted on December 26, 1968, by SA [] and advised as follows:

He stated that he has known Governor GEORGE ROMNEY for approximately ten years. Until Mr. ROMNEY was elected Governor of Michigan their relationship was restricted to numerous civic-social functions in and around the City of Detroit, and in addition some meetings at the Economic Club of Detroit and other community luncheons were attended by both. Rabbi [] stated that he encouraged Mr. ROMNEY to seek the governorship of Michigan because he felt that he would provide the state with a man of unquestionable ethics.

Within a few days subsequent to Mr. ROMNEY's election as governor, Governor ROMNEY appointed a panel of 15 members known as the Governor's Committee on Ethics and Morals. Rabbi [] stated that this committee, of which he was a member, met at infrequent and unscheduled meetings from 1962 to the present. This committee was formed by the Governor of other religious leaders from all denominations and from all localities throughout the State of Michigan. Their purpose was to provide the Governor with the ethical and religious points of view concerning matters of importance to the Governor.

Rabbi [] stated that Governor ROMNEY is a "top flight ethical man who is absolutely incorruptible" and added that the Governor's patriotism was "of the highest order -- almost to the point of missionary zeal". He has a warm sincerity, is fair minded and has never at any time indicated any discrimination regarding race, religion or color, and on the contrary is a "champion of civil rights" who strongly stands for "law and justice" as contrasted with "law and order".

Rabbi [] stated that Governor ROMNEY is "very stubborn and sometimes arbitrary" but is very fair minded. He has almost a "fetish regarding working on Sundays" which Rabbi [] said more than once perturbed him because he felt that as a public official he should have made some effort on Sunday with regard to various things that Rabbi [] wished he would have done.

DE 161-804
CRO/md - 2

Probably his greatest asset is his wife LENORE, whom Rabbi [] said was a great and gallant woman. Rabbi [] is only very slightly acquainted with the ROMNEY children and could make no comments regarding them from personal knowledge.

Rabbi [] advised that he was delighted that the Governor had accepted the position as Secretary of Housing and Urban Development, stating that he was a splendid candidate for that office.

Rabbi [] without qualification recommended Governor GEORGE ROMNEY for any position of trust and responsibility in the service of the United States Government.

[] at Saginaw, Michigan:

ROBERT L. RICHARDSON, JR. []

He first met GEORGE ROMNEY in 1962, when RICHARDSON ran for Michigan Attorney General. He has had numerous contacts with Mr. ROMNEY since 1964, when RICHARDSON was elected to the Michigan State Senate. These contacts have been of a business nature concerning various matters up before the Michigan Senate.

He considers Mr. ROMNEY to be a man of very great intelligence and it is amazing how Mr. ROMNEY seems to know what you are saying before you actually say it. He knows of no one with a higher moral standard than Mr. ROMNEY. Mr. ROMNEY leads an exemplary life and anyone desiring to be a person of the highest caliber could do no better than to pattern their life after Mr. ROMNEY's.

Mr. RICHARDSON stated that Mr. ROMNEY does not drink intoxicants, although he is never intolerant of anyone who does. Mr. ROMNEY does not even drink coffee, which is in keeping with his Mormon religion. Mr. ROMNEY's character, reputation and loyalty to the United States are above reproach.

Mr. RICHARDSON knows of no one more suitable for the House and Urban Development Cabinet position than Mr. ROMNEY. Racial prejudice is probably the one area where Mr. ROMNEY is intolerant. He is a strong believer in civil rights. During the discussions and debates on the Michigan Open Housing Law, Mr. ROMNEY was uncompromising on this matter. He believes Mr. ROMNEY will fight for the Negro's rights more than anyone the Democrats could have appointed to the Housing and Urban Development Cabinet post unless they too would have appointed Mr. ROMNEY.

The following investigation was conducted by SA []

[] On December 26, 1968, ANTHONY STAMM, []

[] Michigan, State Senator from the 21st District of Michigan, advised as follows:

STAMM first met GEORGE ROMNEY in about 1959, when both STAMM and ROMNEY were members of Citizens For Michigan. ROMNEY became State Chairman of this group. The Citizens For Michigan was organized by persons interested in good government and they were successful in obtaining their primary objective of having voters in Michigan approve the convening of a Constitutional Convention for the purpose of rewriting the State Constitution. Both STAMM and ROMNEY were elected as representatives to the Constitutional Convention by voters in their respective districts. ROMNEY was designated a Vice-Chairman of the Constitutional Convention and STAMM served on the Committee of the Executive Branch. During the Constitutional Convention, which was in existence in 1961 and 1962, STAMM and ROMNEY worked together often and they became personal friends. ROMNEY was subsequently elected Governor of Michigan. STAMM was elected State Senator in November, 1966, and he has served in the Michigan Senate since January 1, 1967. STAMM serves on the Senate Committee on Education and has worked with ROMNEY, as much as any legislator, in obtaining passage of ROMNEY's programs in this and other fields.

STAMM advised that ROMNEY is a deeply religious man. He neither drinks nor smokes. He is a devoted family man and he is almost spartan when it comes to taking care of his physical condition. STAMM stated that ROMNEY's character is above reproach and he has never known anything detrimental about ROMNEY. ROMNEY is a highly principled man and he has never been known to associate, politically or otherwise, with anyone of ill repute. STAMM advised that ROMNEY's loyalty to this country and to this form of Government is without question.

STAMM stated ROMNEY has been a progressive Governor and he has kept the State moving forward. He is a terrific organizer and an excellent administrator. He instills loyalty in his subordinates and inspires them to give extra effort in their endeavors. He has a great ability to implement his programs for the State of Michigan.

STAMM stated that ROMNEY has a liberal viewpoint in the matter of housing for the disadvantaged. As part of his administrative program ROMNEY urged passage of a Fair Housing Bill and he is credited for the passage of that bill, in 1967. When it appeared that the Fair Housing Bill might be defeated, ROMNEY called together uncommitted and dissident legislators and convinced them of the merits and necessity of this bill.

ROMNEY wishes to encourage private industry into participating into the low-cost housing field. He feels that inducements, such as tax concessions, should be offered to private industry to obtain its aid in the financing of homes for the disadvantaged. He feels that such a program would lead to increased efficiency in this field and decelerate the United States Government's role as a land lord. He also believes that there should be a program by which low-income purchasers of homes could participate in the construction of the homes and have their labors apply towards the prices of the homes.

STAMM stated that ROMNEY has a consuming interest in knowing what is going on. He kept very well informed on all problems arising in the State of Michigan and he kept good personal contact with persons involved. STAMM recommended ROMNEY for the position of Secretary of Housing and Urban Development, and STAMM stated that ROMNEY will be a very active person and not a dormant administrator.

SUBJECT: GEORGE WILCKEN ROMNEY
SPECIAL INQUIRY - NIXON ADMINISTRATION

Request received 12/23/68 to conduct investigation of Governor Romney who has been designated Secretary, Department of Housing and Urban Development.

Governor Romney, aged 61, has served as Governor of Michigan since 1963. Prior thereto he was automotive industrialist. We conducted favorable applicant-type investigation concerning him in 1949, the results of which are included in enclosed summary memorandum. During current inquiries all individuals recommended Governor Romney; however, two individuals referred to reported discrimination in the "Mormon Church." These persons indicated, however, to the best of their knowledge Governor Romney has never evidenced any form of discrimination, although he is active in that church.

Bureau files disclosed in 1963 Governor Romney was reportedly attempting to assist civil rights demonstrators to obtain bond after they were arrested in Danville, Virginia, for parading without a permit. This information has been included in the enclosed summary memorandum, but in view of Governor Romney's well-known activities in civil rights field, no investigation was conducted to determine his reasons for attempting to assist the aforementioned demonstrators.

The investigation concerning Governor Romney is complete.

The Director has asked about an excerpt from The Congressional Record of 5/18/70 regarding alleged comments in FBI reports concerning the tennis-playing abilities of captioned individuals.

d.c.
Representative Gilbert Gude, (R) Maryland, inserted in the Record an article from the May issue of the Washingtonian written by C. Alphonso Smith entitled "The Top Tennis Players in Official Washington." The article stated that the FBI report on Blatchford said "Strong all-court game. No apparent weakness. The "terse" FBI report on Romney allegedly stated "Mr. Romney jogs in the fall, hits red golf balls into the snow in winter, and plays an aggressive game of tennis in the summer. At a recent Governors' Conference his play was sensational."

d.c.
Our summaries on Blatchford and Romney made no such statements. A summary of our investigation of Romney dated 1/2/69 is attached, as is our summary of investigation of Blatchford dated 3/26/69. During the Romney investigation, no one commented concerning his tennis-playing ability. While attending the University of California at Los Angeles during the 1950's, Blatchford was a member of the college championship tennis team. This is mentioned on page 3 of the summary (underlined). An up-to-date file review indicates that no such information, as alleged, has been disseminated by the Bureau.

WASHINGTON--IN A BLISTERING ATTACK ON THE SUPREME COURT, SEN. JOHN J. MCCLELLAN, D-ARK., TODAY BLAMED IT FOR TEN YEARS OF DECISIONS THROUGH THE 1960'S WHICH HAVE MADE THE POLICEMAN'S JOB MORE DIFFICULT, COMPLEX AND HAZARDOUS.

FBI DIRECTOR J. EDGAR HOOVER HAILED MCCLELLAN'S REMARKS "AS ONE OF THE GREATEST ADDRESSES IN THE HISTORY OF THE FBI NATIONAL ACADEMY." THE SENATOR WAS THE PRINCIPAL SPEAKER AT THE 35TH ANNIVERSARY GRADUATING CLASS FOR POLICE FROM ALL 50 STATES AND ABROAD.

DURING THE PAST TEN YEARS OF A SKY-ROCKETING CRIME RATE, MCCLELLAN ACCUSED THE COURT OF CONTRIVING NEW "CONSTITUTIONAL RIGHTS."

HE SAID THESE "HAVE FORCED THE ALTERATION OF EVIDENTIARY RULES AND LWA ENFORCEMENT PROCEDURES TO MAKE THE POLICE OFFICERS JOB INCREASINGLY MORE DIFFICULT, MORE COMPLEX AND MORE HAZARDOUS."

SECRETARY GEORGE W. ROMNEY OF HUD FORMER REPUBLICAN GOVERNOR OF MICHIGAN, WAS CALLED TO THE PLATFORM FROM A BACK SEAT IN THE AUDIENCE BY HOOVER.

SPEAKING EXTEMPORANEOUSLY, HE SAID THE NATION IS GOING THROUGH A "HUMAN RELATIONS REVOLUTION."

"IT BECOMES VERY DIFFICULT AT TIMES TO BE PRECISE IN THE FAIR ADMINISTRATION OF JUSTICE AND THE APPLICATION OF THE LAW," ROMNEY SAID. "FAIR AND IMPARTIAL ADMINISTRATION OF LAW IS ESSENTIAL IF WE'RE GOING TO HAVE A FREE SOCIETY."

ATTORNEY GENERAL JOHN N. MITCHELL DID NOT ATTEND. ASSISTANT ATTORNEY GENERAL WILLIAM D. RUCKELSHAUS PRESENTED THE DIPLOMAS IN HIS PLACE.

DURING THE PAST TEN YEARS OF A RISING CRIME RATE, MCCLELLAN CHARGED THAT "INSTEAD OF HELPING TO STEM THE TIDE OF PERMISSIVENESS, CIVIL DISOBEDIENCE AND LAWLESSNESS...OUR SUPREME COURT HAS CHOSEN THIS EAR OF TURMOIL AND TURBULENCE TO REINTERPRET AND GIVE NEW CONSTRUCTION AND MEANING TO MANY PARTS OF OUR CONSTITUTION."

THE MEANING AND APPLICATION OF THE WORDS OF THE CONSTITUTION, MCCLELLAN SAID, "ARE SIMPLY BEING CHANGED BY STRAINED CONSTRUCTION, INVERSE LOGIC, AND UNSOUND REASONING EMPLOYED BY THE COURT IN MANY INSTANCES TO OVERRULE PRECEDENCE AND CHANGE THE LAW OF THE LAND."

"WE ARE NOW HAVING CHANGES ON THE COURT," HE NOTED. "I HOPE THESE CHANGES ARE FOR THE BETTER AND THAT WE HAVE ALREADY REACHED THE HIGHWATER MARK OF ACTIVISM AND LIBERALISM WHICH HAS TOO OFTEN PREVAILED IN RECENT YEARS."

MAKING A RARE PUBLIC APPEARANCE, RUDDY-FACED HOOVER, IN A DARK SUIT AND STRIPED TIE, 167 JUNE 12 1970 MCCLELLAN AS "A TRUE FRIEND OF LAW ENFORCEMENT."

RE: STUDENTS FOR A DEMOCRATIC SOCIETY
DEMONSTRATION AGAINST SECRETARY
GEORGE ROMNEY, REPUBLICANS TO
RE-ELECT NIXON HEADQUARTERS
SEATTLE, WASHINGTON
SEPTEMBER 14, 1972

At approximately 12:30 p.m., September 14, 1972, a group of demonstrators were observed picketing in front of the Republican to Re-Elect Nixon Headquarters located at 2000 - 5th Avenue, Seattle, Washington.

During the demonstration the picketers carried signs reading "No more war, U.S. out of Southeast Asia Now" and shouted such slogans as "Help the poor" and "Better homes for the poor." The demonstration, which lasted approximately a half hour, was under the auspices of the Students for a Democratic Society (SDS), Seattle, Washington.

Worker Student Alliance (WSA), a faction of SDS, was expelled from SDS in June, 1969, by the then dominant Weatherman faction but continued to use the name SDS and opened an office in Boston, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and in February, 1971, moved to Chicago, Illinois. SDS/WSA currently shares office space with the PLP in Chicago.

DEMONSTRATIONS AT AZALEA FESTIVAL,
NORFOLK, VIRGINIA,
APRIL 24-30, 1972,
BY COALITION OF ACTIVIST GROUPS

On April 19, 1972, a confidential source advised that several activist organizations in the Norfolk, Virginia, area have formed a coalition to demonstrate and, if possible, disrupt the Azalea Festival to be held in Norfolk, Virginia, from April 24, 1972, through April 30, 1972. This source further advised that the demonstrations are designed to embarrass [redacted]

[redacted] who is to reign as queen of the Festival, and the North Atlantic Treaty Organization (NATO), which is used as the theme of the Festival.

The source also advised that the following local activist organizations have indicated they would participate in the demonstrations:

Campus Americans for Democratic Action

The National Welfare Rights Organization

The Angela Davis Defense Committee

Hampton Roads Labor Committee

In 1968, the chapter of the Students for a Democratic Society (SDS) at Old Dominion University (ODU), Norfolk, Virginia, disbanded and affiliated with the Campus Americans for Democratic Action (CADA). This was done because of their disagreement with the national policy of violent overthrow of the Government held by the SDS. CADA has led anti-war activities at ODU, including protest demonstrations.

ENCLOSURE 161-5794-

DEMONSTRATIONS AT AZALEA FESTIVAL,
NORFOLK, VIRGINIA,
APRIL 24-30, 1972,
BY COALITION OF ACTIVIST GROUPS

Students for a Democratic Society (SDS) was founded during June 1962, at Port Huron, Michigan, and in the 1960s functioned as the leading New Left campus-based student organization in the United States. From an initial posture of "participatory democracy," SDS moved to a radical-revolutionary position, with debate centering on how best to create a revolutionary youth movement. Internal factionalism produced a split during the SDS National Convention in June 1969, which resulted in the following three factions: Weatherman; Worker Student Alliance (WSA); and Revolutionary Youth Movement (RYM). The Weatherman and RYM are no longer affiliated with SDS. The WSA continues to use the name SDS and maintains its national headquarters in Chicago, Illinois.

Weatherman, formerly a faction of Students for a Democratic Society (SDS), controlled the SDS National Office from June, 1969, until its closing in February, 1970. Weatherman then entered an underground status and adopted a tactic of "strategic sabotage," with police and military installations designated as primary targets.

Worker Student Alliance (WSA), a faction of Students for a Democratic Society (SDS), was expelled from SDS in June, 1969, by the then dominant Weatherman faction, but continued to use the name SDS and opened an office in Cambridge, Massachusetts. WSA aligned ideologically with the Progressive Labor Party (PLP) and, in February,

1971, moved to Chicago, Illinois, where it opened the SDS National Office at 1225 South Wabash Street.

The Progressive Labor Party (PLP) was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and Mao Tse-Tung thought.

A characterization of the Revolutionary Youth Movement (RYM) is attached as an appendix to this memorandum.

The National Welfare Rights Organization is an organization which has been engaged in the protest activities on behalf of the welfare recipients.

Angela Davis Defense Committee is associated with the National United Committee to Free Angela Davis (NUCFAD), which was founded by the Communist Party, USA (CPUSA) to free Angela Yvonne Davis, self-admitted member of the Southern California District, CPUSA (SCDCP), who faces murder-kidnaping charges in California. The SCDCP controls NUCFAD by use of CPUSA members in key positions. Headquarters are located at San Francisco, California.

Hampton Roads Labor Committee, an affiliate of the National Caucuses of Labor Committees, is a New Left organization organized in the Norfolk,

Virginia, area in January, 1972, to develop cadre who will provide radical-revolutionary-socialist leadership during mass strikes. It seeks to unite welfare recipients, students, labor and teachers into a common front that will replace the capitalist system with a socialist system.

This source stated that a demonstration is particularly planned for Thursday, April 27, 1972, when George Romney, Secretary of Housing and Urban Development for the United States, is to speak at a luncheon to be held at the Golden Triangle Hotel in Norfolk, Virginia.

According to this same source, during an organizational meeting of this coalition, it was mentioned that Norfolk State College (NSC), a predominantly Negro college in Norfolk, Virginia, has been offered an official position in the Azalea Festival parade and that if the college administration allows the Student Government Association of NSC to organize this position, the Student Government Association will in turn make this official position available to the coalition so that it will have an official position in the parade.

On April 21, 1972, the above confidential source advised that the coalition had drawn up a tentative schedule for the demonstrations to be held in connection with the Azalea Festival. According to this schedule, the following demonstrations would take place:

Monday, April 24, 1972

The coalition will attempt to mingle with the crowd at the Norfolk Regional Airport and demonstrate peacefully upon the arrival of [redacted] who is to reign as queen of the Festival.

Saturday, April 29, 1972

The coalition will attempt to carry out one of four possibilities to disrupt the Azalea Festival parade. These are, in order of preference:

- 1) Attempt to get a legitimate position in the parade.
- 2) Attempt to get any position in parade.

- 4) Will pass out leaflets along the parade route.

Members of the coalition will attempt to attend the coronation of the Azalea queen on that same day and, in addition to demonstrating, will demand that a representative from the National Welfare Rights Organization be allowed to speak at the coronation.

The above confidential source advised that the coalition has 85 tickets to the coronation to be used by its members.

A second confidential source advised on April 21, 1972, that the Angela Davis Committee of Norfolk, supra, has withdrawn support of the demonstrations and will not provide any demonstrators for the coalition's activities.

This same source further advised that authorities at the Norfolk State College (NSC) declined an invitation to participate in the Azalea Festival parade and this

action denied to the coalition an official position in the parade.

On April 22, 1972, an article appeared in the Journal and Guide newspaper, a Negro newspaper published weekly in Norfolk, Virginia, entitled "Protests to Greet 1972 Norfolk Azalea Festival." According to this article, the opening of the Southeastern Regional Office of the Interreligious Foundation for Community Organization, Inc. (IFCO), in Norfolk, Virginia, was highlighted by a call for non-black participation in the 19th Annual Azalea Festival to be held in Norfolk, Virginia. The article states that this year the Festival honors Portugal, a country still practicing "colonization." The article quotes Rev. Milton A. Reid, Director of this Regional Office of IFCO, as having written a letter to Miss Regina Royster, the current holder of the "Miss Norfolk" title, inviting her to join him and other sensitive blacks not to participate in the upcoming Festival. According to the article, leaflets will be distributed and demonstrations will be conducted at the official opening of the Festival, at the Civic Club luncheon, during the grand parade and at the queen's coronation.

The Interreligious Foundation for Community Organization, Inc., (IFCO), 211 East 43rd Street, New York City, is an organization made up of white Christian churches and Jewish synagogues that contribute money in order to promote black capitalism.

Dr. Milton A. Reid is pastor of the New Calvary Baptist Church in Norfolk, Virginia. He is also an active member of the Southern Christian Leadership Conference (SCLC).

A characterization of the Southern

is attached as an appendix to this
memorandum.

On April 24, 1972, the Ledger Star newspaper, a newspaper of general circulation in Norfolk, Virginia, carried an article entitled "Winsome Queen Arrives." According to this article, Miss Maria Teresa Sanches arrived at Norfolk Regional Airport at 11:10 a.m. and was greeted by Norfolk Mayor Roy B. Martin and other Festival officials. The article further states that there were approximately 200 spectators in attendance, including about 20 college student demonstrators protesting Portugal's policies in regard to its African provinces of Guinea, Angola and Mozambique. The demonstrators carried signs reading "Portugal, Out of Africa," and "Fight Racism." The demonstrators chanted "Racist Portugal, Get Out of Africa."

A spokesman for the Norfolk, Virginia, Police Department advised on April 24, 1972, that there were no incidents or arrests at the above demonstration.

On April 25, 1972, the Ledger Star newspaper, supra, carried an article entitled "Maria Teresa Assumes Reign as Queen of Azalea Festival." According to this article, at 9:30 a.m. that day, a ceremony was held in the City Hall Mall to welcome Miss Sanches of Portugal and proclaim her Queen Azalea XIX. She was also greeted by Vice Admiral Richard Colbert, Chief of Staff at the Headquarters of the Supreme Allied Command Atlantic in Norfolk. The article further states that a band of students carrying signs protesting Portuguese policies toward its African colonies also attended the ceremony.

According to the above spokesman for the Norfolk Police Department on April 25, 1972, there were approxi-

mately 15 young white demonstrators; however, there were no incidents and no arrests at this demonstration.

On April 26, 1972, an article entitled "Queen Azalea Asked to Aid Liberation" appeared in the Ledger Star newspaper, supra. According to this article, Dr. Martin A. Reid, supra, called on the Queen of the Azalea Festival to join in the effort to liberate Portuguese colonies in Africa. The article states that in a letter to Miss Sanches, daughter of the Portuguese Minister of Public Works and Communications, Reid asked her to "Bear upon your government, beginning with your father, to let God's people go." The article further states that Reid last week called on blacks to boycott the Azalea Festival.

On April 27, 1972, according to a spokesman for the Norfolk, Virginia, Police Department, approximately 25 people demonstrated on the street near the entrance of the Golden Triangle Hotel in downtown Norfolk, Virginia. This demonstration was held prior to the Civic Club luncheon at which George Romney, Secretary of Housing and Urban Development for the United States was to be the main speaker. This demonstration consisted of individuals passing out handbills and carrying signs which criticized Portuguese policies toward its African colonies and the urban development policies of the United States Government. Miss Sanches of Portugal, the Festival Queen, along with her attendants, representing each country in the NATO alliance, were guests at the luncheon. According to the spokesman, there were no demonstrations inside the ballroom where the luncheon was held and no arrests were made during the demonstrations outside.

On April 28, 1972, the first confidential source mentioned above advised that at a meeting of the coalition, which was held at [REDACTED]

Virginia, it was decided that the demonstrators would assemble on the morning of April 29, 1972, in the parking lot adjacent to the Scope complex in downtown, Norfolk. It was further decided that Negroes coming from NSC would attempt to line the Azalea parade route near the Federal Building on Granby Street in downtown Norfolk. According to this source, the coalition was counting on approximately 200 demonstrators during the parade and depending on the number of police, they would attempt to create a disturbance along the parade route and ultimately stage a demonstration in front of the parade reviewing stand at 21st Street and Granby Street, Norfolk.

A spokesman for the Norfolk, Virginia, Police Department advised on April 28, 1972, that he had attempted to interview [redacted] concerning the above telegram but [redacted] told him that any information concerning the telegram would have to come from [redacted] and IFCO.

That same day the spokesman for the Norfolk Police Department advised that he had discussed the telegram with [redacted]. According to this spokesman, [redacted] would not admit having sent the telegram in association with [redacted] but stated that it was an endeavor by IFCO to prevent any violence in Norfolk during the Azalea Festival. According to this spokesman, [redacted] was very vague and noncommittal about his association with the telegram but stated that he is against any form of violence and certainly was not attempting to bring about any harm to [redacted].

On April 29, 1972, a spokesman for the Norfolk, Virginia, Police Department, advised that during the Azalea Festival parade, held during the morning of this day, approximately 200 demonstrators attempted to disrupt the parade by shouting and creating a disturbance. According to the spokesman, as the final float carrying [redacted] went by,

the black demonstrators, who were located primarily one block north of the Federal Building on Granby Street, began to throw rocks and other missiles at the Queen and her float. The spokesman continued that [redacted] was immediately evacuated from the float without injury. Police immediately blocked off the demonstrators, forced them back onto the sidewalks, and dispersed them. Three policemen were hit by flying objects but none were seriously hurt. One demonstrator, [redacted] a Negro male whose date of birth is [redacted] and who claims to be a student at NSC, was arrested and charged with throwing a missile at a moving vehicle. According to the spokesman, no other arrests were made. The spokesman also advised that a group of white demonstrators proceeded to the reviewing stand at 21st Street and Granby Street and demonstrated with signs and shouted slogans. According to the spokesman, the only damage was of a minor nature to one police car.

During the afternoon of April 29, 1972, [redacted] was officially crowned Queen Azalea XIX at the Gardens by the Sea in Norfolk, Virginia. According to a spokesman for the Norfolk, Virginia, Police Department, no demonstrators appeared at the scene of the coronation; however, about 15 demonstrators held signs and shouted their slogans as people entered into the park. There were no arrests made during these demonstrations.

On April 30, 1972, the above spokesman for the Norfolk, Virginia, Police Department, advised that during this day at the closing festivities of the Azalea Festival, there were no demonstrations held.

APPENDIX

REVOLUTIONARY YOUTH MOVEMENT

A source advised that the Revolutionary Youth Movement II (RYMII) faction of Students for a Democratic Society (SDS) held a national conference at Atlanta, Georgia, from November 26 to 30, 1969. At this conference it was decided to form a new organization to be known as Revolutionary Youth Movement (RYM), characterized as a mass anti-imperialist youth organization, said organization being proposed as separate and distinct in form and content from SDS. The "Principles of Unity" adopted by the conference included a struggle against white supremacy and male supremacy; fights against imperialism, anticommunism, fascism and oppression of youth; and support of the right of self-determination of all "oppressed nations," also support of the right of all "oppressed and exploited" peoples "to armed self-defense." It was agreed that RYM would not be a Marxist-Leninist organization; however, source said this was decided in order to indicate an organization broad enough in form to be acceptable to everyone. A temporary National Steering Committee (NSC) made up of eight females and two males was elected to govern RYM until national officers could be elected during the Spring of 1970.

RYM publications have listed the RYM National Office (NO) at Post Office Box 5421 and Post Office Box 77012 C, both Atlanta, Georgia, and a second source has advised that the NO has no office space but would probably be considered as located at [redacted] Atlanta.

b6
b7C

Second source advised that women dominated the founding conference and have continued to dominate NSC meetings to the point that "women's liberation" has apparently become the RYM's principal issue - also that RYM's poor financial condition has resulted in its failure to publish a paper. During early 1970, RYM has decided to cater to the working class rather than youth, since the potential for social revolution lies in workers.

A third source has stated that it was decided at the March 1970, NSC meeting that RYM women had decided the organization will be molded into a "working class,

Marxist-Leninist, revolutionary, anti-imperialist,
problack nationalist, people's women's liberation
organization."

SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE (SCLC)

The November 19, 1960, issue of "The Richmond Times-Dispatch" reported that approximately sixty Negro church, professional and lay leaders throughout Virginia met on November 18, 1960, in Petersburg, Virginia, and organized the Virginia Christian Leadership Conference (VCLC) for the purpose of "bringing about civil rights for all."

It was pointed out that VCLC is an affiliate of the SCLC of Atlanta, Georgia.

The purpose of the SCLC was reported to "redeem the soul of America by creating the beloved community through organization, by consent of population, for the purpose of creative protest by education, training, developing leadership based on Christian nonviolent principles."

Since 1984, Dr. ADAMANY has had intermittent contact with appointee, but considers appointee to be a close friend.

Dr. ADAMANY characterized appointee as a dedicated, hard working public servant, someone who is at the highest end of the scale when it involves honesty, integrity, and loyalty to the United States. Appointee is very robust, considering his age, and continues to abide by the rules of the Mormon Church, that is no drinking, smoking, or use of drugs. Appointee is not a prejudice individual, according to Dr. ADAMANY, and has always lived financially within his means. Dr. ADAMANY highly recommended appointee, commenting favorably regarding appointee's character, honesty, associates, reputation, and loyalty.

BUDED: 6/25/91

Bureau has been requested to conduct a Level III background investigation of appointee for an unspecified Presidential appointment which requires Senate confirmation.

Field Offices are reminded that the investigative status of a background investigation (BI), all deadlines and the position for which the appointee is being considered shall not be disclosed to any interviewees. If during the course of the investigation, interviewees provide the nature of the position, that information is not to be further divulged outside the FBI. Inquiries by interviewees concerning the nature of the position are to be handled as set forth in MIOG, Part II, Section 17-5 (5). Appointees making inquiries regarding the status of their BI are to be referred to the client agency.

Previous full-field investigation conducted by the FBI in 1969, however, name checks conducted thereafter, the most recent one dated May 30, 1991.

Appointee is described as born on July 8, 1907, in Colonial Dublin, Mexico; has SSAN 577-10-6742; and resides at 1830 E. Valley Road, Bloomfield Hills, Michigan. NOTE: Appointee served as the Governor of the State of Michigan from 1962 to 1968.

Appointee will be required to make decisions concerning policy and personnel matters; therefore, during interviews, determine if appointee has expressed or manifested any bias or prejudice against any individual or group based upon sex, race, color, religion, national origin, handicap or age. Determine if appointee lives within his financial means. Also determine if appointee uses illegal drugs or abuses alcohol.

Investigation should receive immediate attention and receiving offices should telephonically advise FBIHQ of any derogatory information developed, confirm by teletype, and record

George Wilcken Romney

pertinent interviews relating to derogatory information on FD-302s.

Receiving offices note that the last ten years of appointee's life must be accounted for and, if during the course of investigation unexplained or unaccounted for gaps are identified, leads should be directed to the field office covering appointee's current employment to have appointee contacted and to have his activities during specific periods identified.

As this is a Presidential appointment, field offices are expected to meet deadline.

LEADS:

DETROIT will immediately interview appointee in accordance with MIOG, Part II, Section 17-5.6 and will report results on an FD-302. At an absolute minimum, the FD-302 should clearly set forth the appointee's responses to those questions labeled a-m under Section 17-5.6 cited above.

DETROIT insure at least 10 persons knowledgeable concerning appointee are interviewed.

SALT LAKE CITY and LOS ANGELES: conduct appropriate arrest checks regarding appointee.

WMFO check White House, United States Secret Service, and Public Integrity Section, Department of Justice. Check FEC. NOTE: No neighborhood investigation necessary as appointee does not maintain residence in WMFO territory.

Submit results of completed investigation to reach FBIHQ no later than COB BUDED; Use express mail or overnight delivery service if necessary.

Direct results to the attention of
